Dear Ms. Shumway:

Re: 2nd Request for Annual Report for 1992, Small Fry Mine,
M/037/022, San Juan County, Utah

The Division has not received your 1992 annual report for the Small Fry mine located in San Juan County, Utah. Rules R647-3-116 and R647-4-121 of the Utah Mined Land Reclamation Act, require that annual reports be filed by January 31, of each year, indicating the previous year's mine activity. A grace period will be allowed for receipt of late annual reports resulting from operational time constraints, address changes or other mailing errors. You should notify the Division if you cannot meet the established deadline for receipt of the annual report.

Your failure to submit the annual report or correspond with the Division by April 1, could result in your mining operation being categorized as "Possibly Abandoned". A Notice of Noncompliance may subsequently be issued requiring you to appear before the Board of Oil, Gas and Mining at a formally scheduled hearing. Depending on the outcome of the hearing, a Board Order could be issued requiring immediate reclamation of the mine site, and possible forfeiture of any reclamation surety held to secure reclamation of the site.

Please help us avoid any unnecessary enforcement actions by returning your annual report immediately. Another Annual Report (form MR-AR) is enclosed for your convenience. Thank you for your cooperation and immediate attention to this matter. If you have any questions in this regard, please contact us at your earliest convenience.

Sincerely,

D. Wayne Hedberg
